# About US

OBI is leading independent 3rd party company which started its operation in 2018 . OBI is dedicated to ensure the quality, safety and compliance of the products and processes in industry. With a team of experienced professionals and global presence, we provide unbiased and reliable services to help our clients. Minimizing the risks, improve performance, and build trust with their customers globally is our top priority.

# Our Values

## Integrity

Our clients are always our top priority. We collaborate as an extension of their team, adhering to their Standard Operating Procedures (SOPs) and guidelines with confidence and precision. Integrity remains our foremost core value, guiding everything we do.

## Equality & Respect

At OBI, we are committed to conducting ourselves with professionalism, respect in all our actions, words, and attitudes. Our longstanding reputation for being corruption-free serves as a foundation for our behavior.

## Ethics

We have established industry-leading ethical standards, setting a benchmark for excellence in the market. We ensure full adherence to the Supplier's Standard Operating Procedures (SOPs) and prioritize cooperation and respect during every stage of service execution.

# Our Vision

To be a globally recognized leader in inspection and certification services, setting the benchmark for quality, reliability, and innovation. Through our commitment to excellence, we ensure the highest standards of compliance, safety, and performance across industries, empowering businesses to meet regulatory requirements and customer expectations. We aim to foster trust, transparency, and sustainable growth for our clients by delivering precise, timely, and cost-effective solutions that drive operational excellence.

# Solutions

01

## Minimize Risks

our aim is to maintain high quality standards with the help of our expert team and analysis to identify potential risks and uphold protocols to obtain successful business results .

02

## Client Satisfaction

Our aim is to report actual findings of the product and share improvements to gain consumer and client satisfaction.

03

## Cost Saving

We Ensure High Quality inspection and service Standards along with our unparallel and Market competitive Pricing with customized solutions for our customers.

04

## Easy Booking Process

Enjoy a smooth and hassle-free booking experience with our streamlined process. Our simple, straightforward steps save you time and eliminate unnecessary back-and-forth. At OBI, we prioritize your convenience with a quick booking process and flexible inspection times (1st or 2nd Half). We also offer a one-month payment credit term policy for a seamless inspection experience.
